

17 October 1958

DTR Staff Meeting:

1. By 14 November each unit will send the DTR a list of all people who lectured in OTR 10, 5, or 1 or more times. DTR proposes to write a Christmas letter to Chief of Staff or Division from which the speakers came, thanking them for assistance and cooperation.

25X1A9a 2. [REDACTED] Personnel training problems. Lack of rapport with Office of Personnel.

25X1A9a 3. [REDACTED]  
First time a person from DD/P has gone.

4. Mr. Kirkpatrick will be at next DD/P staff meeting. Will talk in general terms about his tour of DD/P installations around the world and his plans from now on.

5. Clandestine Services officers will, in the future, attend meetings of the Intelligence Board when items of interest to them will be discussed.

25X1A9a 6. [REDACTED]. At last DD/P staff meeting he discussed new policy paper on Middle East. Said it was ambiguous and not suitable.  
25X1C Did not give sufficient support [REDACTED]

7. Carping in OTR. DTR resents it and will not tolerate criticism within Schools and OTR. Requested criticism be soft pedaled. More praise should be given.

25X1A9a 8. Guest speakers - [REDACTED] recommends more guest speakers.

25X1A9a 9. Mr. [REDACTED] favors American Outlook program with guest speakers. Might be necessary to have another program in reserve, completely prepared and ready to initiate if sufficient speakers are not obtained. [REDACTED] 25X1A9a supported the program as one which gave firm ground to OTR. Every school in Government contains course of this nature. Useful as a course. Useful in dealing with situations overseas and discussing operations and matters of policy with foreign and U. S. Government officials and members of Congress. Supported [REDACTED] recommendation for substitute package. C

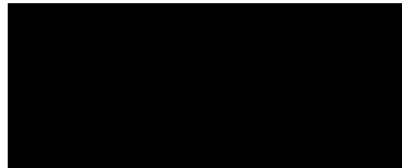

10. FE Division has a high-level [REDACTED] official to receive a two-day briefing by Intelligence School, starting Monday.

25X1C14c

11. Statistics presented by [REDACTED] - Figures for the 6 months ending April and September 1957 as opposed to 1958 show the number of personnel in training was up 13 per cent in 1958. Further analysis revealed that the SIC is down 20 per cent, OS down 13 per cent, IS down 25 per cent, language training down 15 per cent. Voluntary language course is only high figure.
